State Withholding: Some states levy a nonresident entertainer tax and require colleges to withhold a percentage from the final payment amount. **If you plan on withholding any part of the agreed payment amount, this must be communicated** to Bass-Schuler Entertainment **DURING the negotiation process** so that the deduction can be taken into account when calculating a performance price. If the withholding is not negotiated at the time of contracting, PURCHASER agrees that it will be solely responsible for any nonresident taxes incurred (i.e. the amount of the payment will be increased so that the final check will be for the amount agreed to).

D&P will be allowed to cancel their performance with no prior notice in the event that they are hired to appear on a Television show, in a feature film, or a Television commercial at a time that conflicts with their scheduled performance. In the event that D&P cancels their performance, D&P or the agency representing D&P for that performance will supply a suitable replacement or reschedule D&P on an agreed upon date.
