State Withholding: Some states levy a nonresident entertainer tax and require colleges to withhold a percentage from the final payment amount. If you plan on withholding any part of the agreed payment amount, this must be communicated to Bass-Schuler Entertainment DURING the negotiation process so that the deduction can be taken into account when calculating a performance price. If the withholding is not negotiated at the time of contracting, PURCHASER agrees that it will be solely responsible for any nonresident taxes incurred (i.e. the amount of the payment will be increased so that the final check will be for the amount agreed to).
