State Withholding: Some states levy a nonresident entertainer tax and require colleges to withhold a percentage from the final payment amount. If you plan on withholding any part of the agreed payment amount, this must be communicated to Bass-Schuler Entertainment DURING the negotiation process so that the deduction can be taken into account when calculating a performance price. If the withholding is not negotiated at the time of contracting, PURCHASER agrees that it will be solely responsible for any nonresident taxes incurred (i.e. the amount of the payment will be increased so that the final check will be for the amount agreed to).

Preacher will be allowed to cancel his performance with no prior notice in the event that he is hired to appear on a Television show, in a feature film, or a Television commercial at a time that conflicts with his scheduled performance. In the event that Preacher cancels his performance, Preacher or the agency representing Preacher for that performance will supply a suitable replacement or reschedule Preacher on an agreed upon date.
